# CIVIL GOVERNMENT

-ALEJANDRO DE LA SOTA-

COMPOSITION

TARRAGONA

BARCELONA

VALENCIA

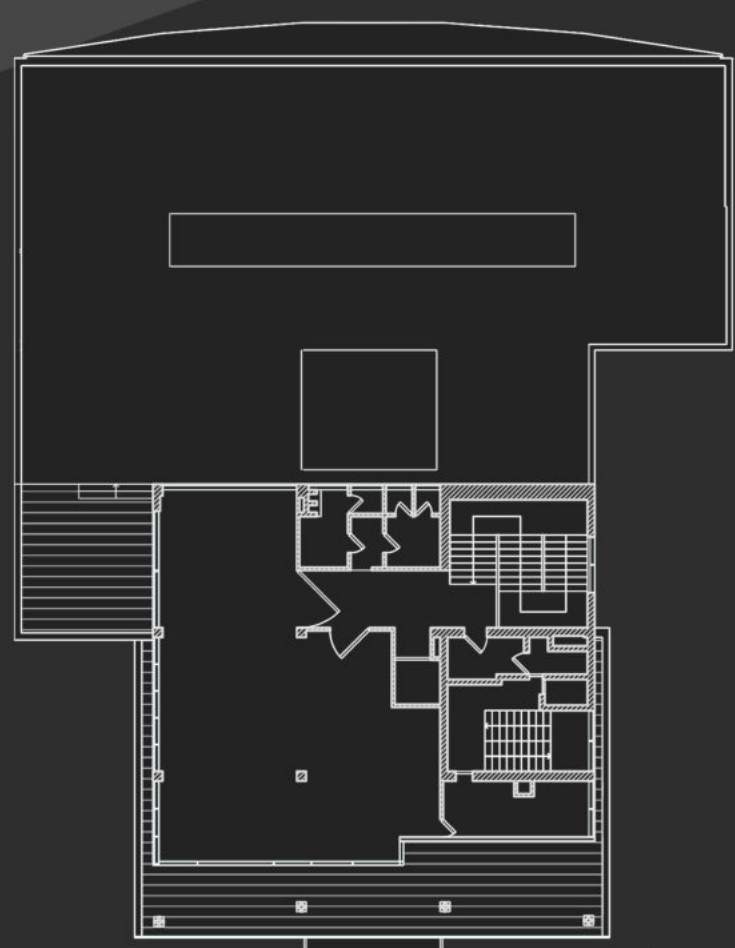

SITE PLAN

0 50 200 (m)

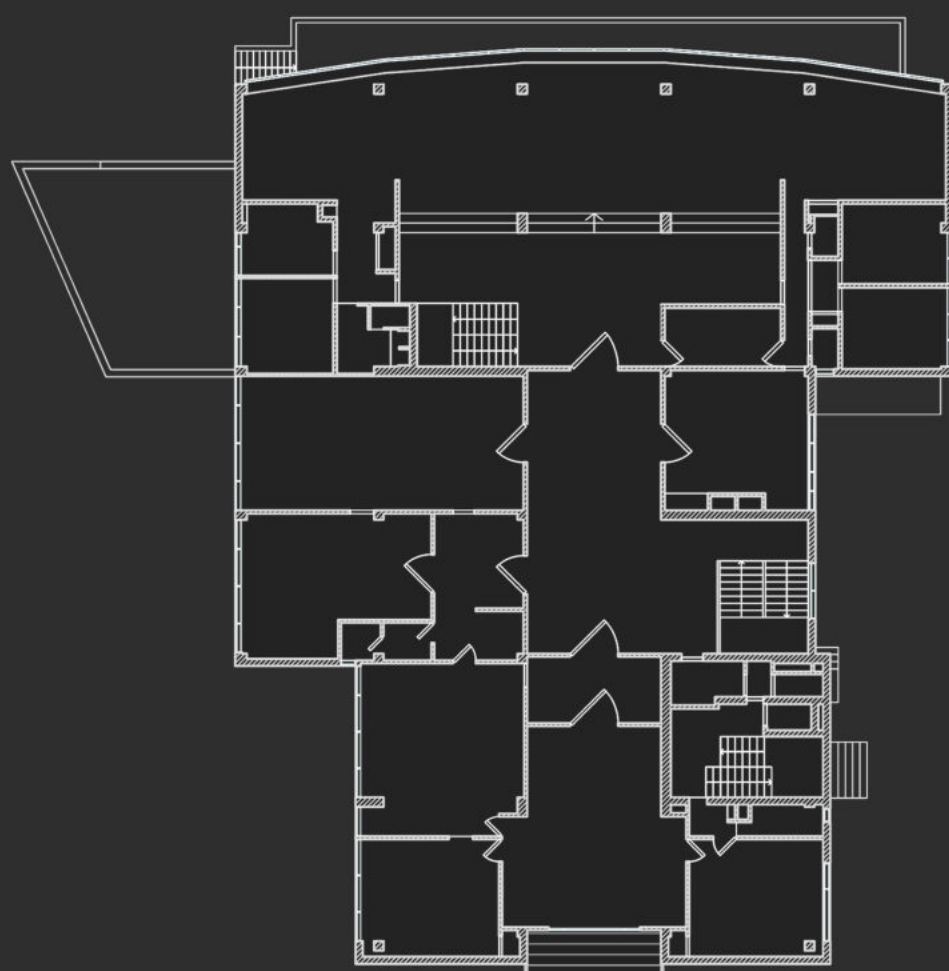

Built in 1957 for a competition for the government, finally won by Alejandro de la Sota, selected project between 15 of them.

Located in "Plaza Imperial Tarraco", in the connection of the 3 main streets of Tarragona (city located on the shores of the Mediterranean, on the Costa Dorada).

The architect created a functional building with a simple composition, focusing on the details, those that make this project a unique one.
